

## BE PART OF THE PLAN

### Community Wellbeing through Business Prosperity.

**Late in 2020, a professional survey was sent out to the Tarrangower community to develop a new community plan. The previous community plan was conducted in 2015 – it resulted in action items like the powerlines in Main Street, Maldon being relocated underground.**

The 2020 community planning process was led by community members, and the priorities were determined by the community itself. The planning process included surveys, community workshops and town hall meetings. A summary report was presented and published in an easy-to-read document titled **Tarrangower Tomorrow – the Tarrangower Community Plan 2021**. (You can download a soft copy by typing in this link: [ttomorrow.org](http://ttomorrow.org))

The introduction to document states: 'Tarrangower Tomorrow is a forward-thinking plan for the Tarrangower community. It sets out the aspirations and priorities of our community.'

The COVID-19 pandemic interrupted the pathway to developing the Plan, as it has in so many other aspects of our lives.'

**The priorities in the Plan determined by the community are captured across five categories.**

1. Our Environment & Sustainability
2. Our Local Economy.
3. Our Community.
4. Our Heritage, Our Infrastructure.
5. Our Arts and Culture.

Post-COVID, in particular the last couple of years, many individuals and organisations in our local community have given freely of their time to bring to life some of the priorities listed under these five categories.

Maldon INC (MINC) is one of those organisations. MINC is a volunteer organisation and is Maldon's peak business body – as it's been for more than 25 years.

**As a member-based business body, MINC focused on priorities listed under 'Our Local Economy'.** As a result, Maldon INC needed its own plan of attack. With the funding support of our members, Mount Alexander Shire Council, Community Bank Maldon & District, Tarrangower Times and many, many others, Maldon INC is today sharing their Strategic Plan 2025+ to the broader community.

STRATEGIC PLAN  
2025+

OUR VISION

“Community wellbeing through business prosperity.”

OUR ROLE

Advocate for and promote prosperous and vibrant business sector in our unique historical community of Maldon.

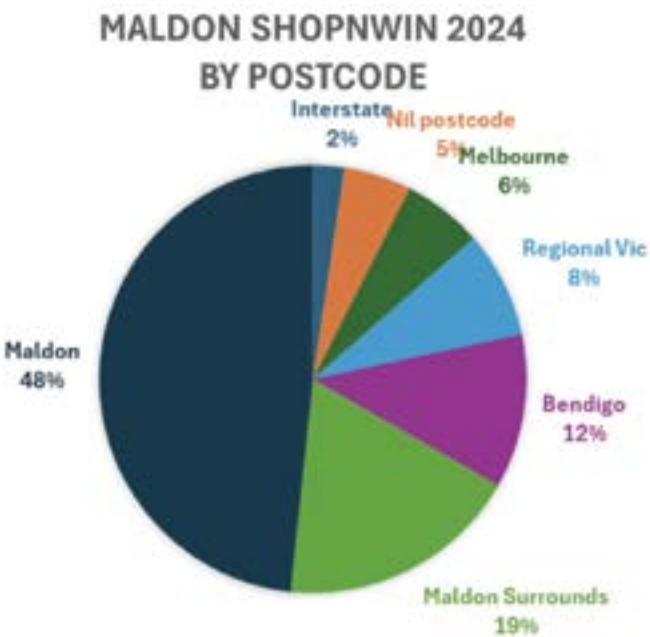

OUR SUCCESS

Members view Maldon Inc as a valued organisation of integrity, and see value in supporting its continued operation. Maldon Inc is seen by key stakeholders and other community groups as an organisation that is reliable, professional and trustworthy, delivers on what it says it will do, and is dependable in representing the interests of the Maldon businesses and our diverse and respected community more generally.

“The future belongs to those who work as an ecosystem, not in silos.”

2025

COMMUNITY DIARY

KEEP UP WITH THE LOCALS

If you have a community event that you would like publicised in this Community Diary,  
please email: [karen@tarrangowertimes.com.au](mailto:karen@tarrangowertimes.com.au),  
or drop a note into the Maldon Newsagency to have it listed.

It is a good idea to advertise closer to the event.

# Invitation to local volunteers

SO many of the fantastic activities that occur in small towns can be credited to volunteers. Volunteer Week is a chance to acknowledge this hidden hard work; local volunteers are invited to an appreciation party on Thursday 22 May at the Blue Cockatoo in Maldon.

The theme of this year's National Volunteer Week, which runs from Monday 19 to Sunday 25 May, is 'Connecting Communities' so Maldon & District Community Bank is hosting the party as a way to give a shout about the great work of volunteers... and also shout them a drink.

The bank's Community Partnership Lead Sophie Guerin is clear that the event is intended to be an informal catch-up. 'It will be pretty casual,' she said. 'Come, we'll say thank you. Have a drink and just connect.'

The unpaid efforts of teams and individuals in places such as Baringhup, Newstead and Maldon are responsible for emergency and

charity relief services; events and festivals; recreational or sporting clubs and much more. The Bendigo Volunteer Resource Centre states that 96% of volunteers say, "it makes people happier" and 95% of volunteers say that volunteering is related to feelings of well-being. Volunteering translates in Australia to millions of donated hours of work each year. In small towns like ours, the effect of volunteers 'Connecting Communities' is visible.

Join other local volunteers, hear a few words from Councillor Rosalie Hastwell and just enjoy being together as a community. Maldon and District Volunteer Party, Thursday 22 May at the Blue Cockatoo at 10 Main Street, Maldon, from 5pm to 7pm. Volunteers from Maldon, Newstead, Dunolly and the surrounding district are encouraged to attend. Please RSVP for catering purposes by Monday 19 May: [community@mdcb.com.au](mailto:community@mdcb.com.au) or call 0478 435 110.

# Nail-biting election: local result variations revealing

WHILE the Australian Labor Party celebrates its national success after last Saturday's federal election, as the *TT* goes to press it is still not clear who will win the House of Representatives seat of Bendigo. Counting of preferences continues and it may come down to postal votes; the prospect of a recount is becoming a possibility. The count has Labor's incumbent Lisa Chesters on a see-saw with the Nationals' Andrew Lethlean after neither won more than 50% of first preference votes.

Meanwhile, the Australian Electoral Commission has published localised election data showing the provisional results at polling places around this electorate of Bendigo. The varied figures are interesting when considering the unique character of each of the small towns across the region.

In Newstead, where 507 people voted, Lisa Chesters received 36.44% of the first preference votes ahead of Greens Candidate Avery Barnett-Dacey who attained 23.6% and the Nationals with 15.73%.

In Maldon, where 798 people voted, first preferences went to Lisa Chesters with 42.46%, followed by The Nationals' Andrew Lethlean who received 17.62%, then Avery Barnett-Dacey with 13.75%.

In Harcourt, where 596 people voted,

Pauline Hanson's One Nation's Heather Freeman received 4.1% of first preference votes and Family First candidate Evelyn Keetelaar received 3.74% of first preference votes. Lisa Chesters received 35.65% of first preference votes while Andrew Lethlean received 23.17%.

In Castlemaine, at the Town Hall polling place where 959 people voted, Lisa Chesters received 34.36% of the first preference votes followed by Avery Barnett-Dacey with 33.92%. Heather Freeman received 2.8% and Evelyn Keetelaar attained 2.2% of first preference votes in Castlemaine.

There were 120,140 eligible voters in the Bendigo electorate, of which 102,618 votes have been received. 5,030 votes of these were deemed informal votes, while Lisa Chesters received 33,070 first preference votes, Andrew Lethlean received 29,836 and Avery Barnett-Dacey received 10,879 in the division. At the time of writing, 33.39% of votes had been counted in Bendigo. In the Senate vote for Victoria, Labor received 507,847 above-the-line votes while the Liberal/National Coalition received 409,519.

Senate results will not be known until all votes are received and counted. For up-to-date election results, visit the Australian Electoral Commission at: [aec.gov.au](http://aec.gov.au).

# Urgent Guildford water warning

THE State Department of Health has warned residents of Guildford, Kennedys Gully, Strathloddon and Yapeen that tap water from Guildford is not safe to drink without boiling first. It comes after Coliban Water advised on Saturday 3 May, following repairs to a burst water main in Donkey Gully Road, Guildford, that the interruption to water supply during the burst may have compromised the safety of the drinking water.

The repairs are reportedly complete but Coliban Water is advising its customers in Guildford to boil their water until further notice.

Prior to use, water should be heated until a continuous and rapid stream of air-bubbles is produced from the bottom of a pan or kettle

(kettles with automatic shut-off switches are suitable). Allow water to cool before use and store in a clean, closed container. Boiled water should be used for drinking, preparing food, cleaning fruit and vegetables, making ice, preparing baby formula and brushing teeth. Alternatively, pre-purchased bottled water can be used.

Water contaminated with germs can cause vomiting, diarrhoea and stomach pains.

Visit a doctor or call Nurse on Call on 1300 60 60 24 in cases of any of these symptoms.

Coliban Water is working with the Department of Health and will issue another update as the situation changes. Further information is available from [coliban.com.au](http://coliban.com.au) or on 1300 363 200 or [emergency.vic.gov.au](http://emergency.vic.gov.au).

# Ministerial response to Hunting at Cairn Curran

THE State Minister has sent a letter, seen by the *Tarrangower Times*, responding to Regional Victorians Opposed to Duck Shooting inc. (RVOTDS). The group had provided to the government in October 2024 a list of 25 Victorian waterways (including Cairn Curran as reported in the *Tarrangower Times* Friday 28 March) that it seeks to have excluded from duck hunting for reasons of amenity, economy, health and safety.

The letter from the Office of Steve Dimopoulos MP, Minister for Environment, Tourism, Sport and Major Events and Outdoor Recreation, stated: "The Victorian Government has no current plans to permanently close the 25 waterways to duck hunting."

The Minister's letter said the government had introduced "common-sense changes" in response to the 2023 parliamentary inquiry into Victoria's recreational native bird hunting arrangements. The inquiry recommended to end recreational native bird hunting on all Victorian public and private land from 2024.

Referring to the Wildlife Act and firearms laws, the letter speaks mainly to environmental concerns such as endangered species, and 'dangerous and unsafe' use of firearms. It also states that the government is committed to protecting Aboriginal cultural heritage and supporting Traditional Owners. "This range of provisions enables duck hunting to be undertaken in a safe, sustainable and responsible way with minimal harm to our environment," the Minister's letter said.

However, the letter did not address the other reasons raised by RVOTDS. "Some of the sites we requested for closure were due to them being RAMSAR sites (Wetlands of International Importance)," the group said. "Many others were requested due to proximity to residents and the adverse social / economic / health and safety impacts hunting poses." The group has asked the Minister for reasons for the refusal and clarification about why two Mildura wetlands were closed to hunting due to public safety concerns while the 25 on the RVOTDS list are not being considered.

Australian Rural & Regional News

The *Tarrangower Times* is part of Australia's biggest rural news network

A platform for independent news and stories written by, for and about people living outside Australia's capital cities Australian Rural & Regional News is the first platform featuring independent news from and for the whole of rural and regional Australia. There are many dedicated independent journalists and publishers based outside the Australian capitals reporting on the news from their local area and others that focus on rural and regional news. Some independent news publications are long-established mastheads that have been the trusted source of news for their community for generations and are now in print and online. Some older independents now produce only digital editions. Other newer independents from the digital age have always been online only. Australian Rural & Regional News also features relevant news and media releases from clubs, societies and organisations, companies and businesses, government bodies, local councils and State and Federal Ministers and Members of Parliament. Australian Rural & Regional News is a growing newsroom, separate from the mainstream media, covering Australia outside the capital cities. [arr.news](http://arr.news)

# Bite Size News and Opportunities

## TAC funds council for road safety projects

Mount Alexander Shire Council announced on 30 April that it was successful in obtaining funding through the Transport Accident Commission (TAC)'s Local Government Grant Program, which provides funding to support projects that help prevent road trauma. The \$80,000 in funding has been earmarked for two new projects; \$30,000 for an accessibility study in Castlemaine to identify ways to improve accessibility for people with disability; plus \$50,000 for the construction of new footpaths in Berkeley Street, Castlemaine. The Council said these projects align with a number of Council's strategies and plans, including the Active Transport Strategy and the Disability Action Inclusion Plan. For more information about the TAC Local Government Grant Program, visit [tinyurl.com/4xjkd bfb](https://tinyurl.com/4xjkd bfb).

## Road rule change means 40k limit expanded

Drivers should be aware that there has been a change to the rule that says traffic must slow to 40km per hour when passing emergency service vehicles parked by the road. From Tuesday 1 July, this rule will be expanded to include more vehicles such as those engaged in incident response services, towing and roadside assistance. Transport Victoria says on its website: "That means when you see flashing lights (red, blue, magenta or yellow) and workers on the roadside, you must slow down to 40km/h and pass safely."

## Mobile disruptions expected during works

Telstra will be upgrading its mobile base station that services Maldon to bring new 5G coverage to the area. Telstra says mobile services in the area will be temporarily affected while the works are underway. It says Telstra mobile customers will receive texts advising of the upcoming work and that landline services, NBN internet services, and mobile coverage from other providers will not be impacted. The site will need to be switched off at various periods between Wednesday 7 and Thursday 15 May. Telstra says its customers can continue to make calls and send texts during disruption to mobile services by switching on Wi-Fi Calling. This is a free setting on many mobile phones and allows your mobile to make and receive mobile calls while connected to Wi-Fi. Telstra also encourage business owners to talk to their bank about connecting their EFTPOS terminals to their NBN or Wi-Fi connection to prevent delays in processing transactions.

## Businesses taking climate action invited to share

Mount Alexander Shire Council is calling on businesses to share how they're taking climate action in the workplace. Local business owners

are being encouraged to share their climate change-making story by uploading a short description and photograph of their efforts at [shape.mountalexander.vic.gov.au](https://shape.mountalexander.vic.gov.au).

Whether it's embracing renewable energy, saving waste from going to landfill, using environmentally friendly products and materials, or developing 'green' policies, Council wants to hear from you. "We're looking for projects – big or small – that promote sustainability and action on climate change," said Brendan Garrett, Council's Climate Change Coordinator. Council will collect all stories and for the month of June share them across local print, radio and social media.

"By sharing your successes, you'll inspire others and encourage them potentially to try something new."

Every business owner that submits a story of how they're taking climate action goes into the draw to win a \$200 gift voucher from a local nursery. The winning entry will be drawn at random on Friday 27 June at Council's upcoming Micro and Small Business Event in Castlemaine.

People in the business community can share their climate change-making story at [shape.mountalexander.vic.gov.au](https://shape.mountalexander.vic.gov.au) by 31 May 2025.

## Creative stitches on show in Castlemaine

An exhibition called *Gather* brings together makers united by a shared interest in textiles that meets regularly in Castlemaine. The project is created in partnership with The Good Op Shop and Castlemaine Safe Space. Additionally, the group will hold Stitching Circles every Saturday and Sunday during the exhibition from 10am to 12noon. All materials provided but feel free to bring your own stitching projects (knitting, crochet, embroidery, basket-making, whatever!) if you prefer. Gather, Market Building, 44 Mostyn St, Castlemaine. 1 - 18 May 2025, 9am - 5pm daily, free.

## Ag Victoria encourages stock containment in dry conditions

Agriculture Victoria (AV) is encouraging livestock producers to consider effective stock containment strategies to help maintain core herd or flock numbers and support pasture recovery. AV's Land Management Extension Officer Kerri Goschnick said dry seasonal conditions and limited rainfall continue to place pressure on grazing operations, impacting pasture growth and causing bare ground across many paddocks. "Stock containment refers to confining livestock in designated areas, where farmers can effectively manage feed, water and shelter," they said. "This allows farm paddocks to rest until an autumn break causes pastures to recover and withstand livestock grazing." Further information can be found by searching for these items on the Agriculture Victoria website. For more information about drought and dry seasonal conditions support head to [agriculture.vic.gov.au/dryseasons](https://agriculture.vic.gov.au/dryseasons).

## Djaara culture shared on Goldfields Track

Dja Dja Wurrung enterprise DJANDAK has brought the Goldfields Track to life with 55 stunning new signs stretching across the epic 210-kilometre trail, which stretches from Mt Buninyong to Bendigo, weaving through Wadawurrung and Dja Dja Wurrung Country.

Trail-goers will experience the richness of Djaara knowledge, art, and Culture, with content shaped by DJAARA Members through a Wartaka (come with purpose) gathering and Cultural Values Assessment. Signs highlight stories and facts about Dja Dja Wurrung and Wadawurrung Cultural Heritage, as well as European heritage, mining, geology and the environment. The signage is part of a significant upgrade to the Goldfields Track being delivered by DJANDAK to enhance the experience of users. The upgrade also includes seats and rest shelters which feature DJANDAK's coolamon-inspired roof design, while the visitor node at Liyanganyuk Banyul features a ceremonial circle.

## Scientists say calm the farm over green nitrate fertiliser

Monash University scientists are urging caution around recent claims of breakthroughs in green nitrate fertiliser production, warning there is more work to do before the concept is market-ready.

Research by the Monash School of Chemistry has reviewed 50 published studies claiming to have produced green nitrate fertilisers, and found none that successfully resulted in a sustainably-produced alternative to existing products. Nitrate fertilisers play a critical role in helping the agriculture industry meet global production demands. With the current manufacturing process accounting for around 2 per cent of global greenhouse gas emissions, the task of finding a suitable green alternative is immense.

## New Indonesian school milk program set to create opportunities for Australian dairv

Australia's dairy sector may be the beneficiary of a new school milk program being implemented in Indonesia. Food and agribusiness banking specialist Rabobank says the program, which is currently being rolled out across 400,000 schools in Indonesia, is part of the recently-elected Indonesian government's Nutritious Meals Program, aimed to combat malnutrition and promote healthy eating among the country's 60 million school children, as well as in pregnant women. The school milk program is expected to significantly increase Indonesia's total dairy consumption, creating opportunities for Australia and other global dairy players, according to a new report by Rabobank's RaboResearch division.

## Mental health support for Victorian workers

Workers in Victorian workplaces now have access to counselling services to help improve their health and wellbeing and prevent work-related mental injuries, thanks to a new program

delivered by the State Government. A new Worker Mental Health Support Helpline was announced on Wednesday 30 April, providing services similar to an Employee Assistance Program and now available for workers in small and medium-sized businesses that don't already have similar support in place. Workers using the free and confidential service will be supported by trained counsellors to address issues such as work-related stress and burnout before they potentially lead to an injury that might need medical treatment or time off work. Eligible workers can access to up to four sessions each of free and confidential 24/7 support via telehealth or online by calling 1800 318 421. For more information visit [tinyurl.com/t44w8eca](https://tinyurl.com/t44w8eca).

## Funds available for rural climate solutions

The Foundation for Rural & Regional Renewal (FRRR) is now inviting applications from not-for-profit groups (NFPs) in remote, rural and regional communities for funding to support projects that reduce emissions and address the impacts of climate change to drive positive and sustainable environmental, social and economic outcomes. FRRR's Community Led Climate Solutions program (CLCS) is offering grants to NFPs via two streams, engaging/delivering and scaling, with a total funding pool of \$650,000 available for initiatives that address climate change at a local level. Grants in either stream can be used for a range of purposes, including to educate local people; adopt clean energy practices; support First Nations climate focused initiatives; reduce emissions; implement low carbon power sources; embrace reuse and regenerative practices; support solutions that deliver sustainable agriculture and food systems; encourage biodiverse ecosystems; or ensuring the transition is just for all. An online Grantseeker Workshop, including a Q&A session on the Community Led Climate Solutions grant program, will be held on Wednesday, 14 May 2025, from 12.30pm - 1.30 pm AEST. Register at [tinyurl.com/mpubpzs3](https://tinyurl.com/mpubpzs3). To learn more and apply, visit: [frrr.org.au/community-led-climate-solutions](https://frrr.org.au/community-led-climate-solutions).

## New dining destination for Mount Macedon

A major refurbishment is about to get underway at Macedon Tea Rooms, transforming it into a dining experience on top of the 1,000-metre-high mountain. The Benito Family Pty Ltd has been awarded the new lease for the famous tearooms, promising to bring fresh energy and exciting plans to the local landmark, including an expanded outdoor seating area to take in the scenic views, evening dining, and space for events and functions. Works are expected to start in the coming weeks, with the building reopening in late 2025. While renovations are underway, visitors will be able to grab a coffee or bite to eat from a mobile coffee van. Macedon Regional Park, its iconic Memorial Cross and summit area receives thousands of annual visitors who are drawn to the stunning views and range of outdoor activities on offer, including bushwalks, horse-riding and cycling.

# History walk repeats

MALDON Heritage Network is offering a second chance to take an informative and entertaining stroll around the old Maldon Government Reserve.

The first walk, taking in historic buildings such as the old court house, lockup, market building and school, took place on 27 April and was well attended and received.

Occasionally history will come alive through heart-felt portrayals by local actors, some of whom have been collaborating in workshops at Maldon Neighbourhood Centre and others who have gamely stepped up to perform. A great community team effort!

The second walk will commence from the Maldon Post Office on Sunday 18 May, 11am-1pm. Bookings required at: <https://tinyurl.com/ydp7kevp>.

## Imagination in spades

Brenda Walsh *Bear in Mind 2025* - Oil on Linen.

Brenda Walsh in her studio.

**HOW** lively is your imagination? If you enjoy seeing something completely different, Cascade Art Gallery is delighted to present a group exhibition entitled *Imagination 11* for a very good reason. The five artists in the group represent an exciting range of creative visions in both paintings and sculpture, completely different from anything you might have seen since the first *Imagination* exhibition in 2024. The official opening is on Saturday 10 May at 2pm and is on until Sunday 1 June.

*Imagination 11* is an exhibition which features the work of Sam Varian, KJ Bishop, John O'Loughlin, Dean Bowen, and introducing Brenda Walsh. This is the second iteration exhibition at the Cascade Art Gallery around the idea of imagination.

I had the pleasure of a chat with Brenda before the opening and found out that before she studied to be an artist at RMIT she had a short stint in an acoustic trio named Brenda Joy's Jelly Boys. The band members were herself, Paul Gadsby and Chris Malherbe on guitars. They did old time blues and country tunes, including gigs at the Flying Trapeze and the Universal Theatre.

Brenda said, "It was art that took me out of the smoky old bar rooms and back into study. Being an introvert, I had never been comfortable on stage. My adventure into art making started much later. I was 40 years old when I re-entered the system, having left school in 1965 when I was 15. I'd always been able to draw,

but didn't develop the skills until art school many years later. I graduated from RMIT in 1999 with a Bachelor of Arts Honours degree. I have exhibited regularly in various galleries in Melbourne and Sydney and my work is in collections here and overseas. A highlight of my artistic life was being shortlisted two years in a row for the Blake Prize 2017 and 2018.

My main art influences have been early Christian art, Renaissance art and Surrealism. I am mostly known for my whimsical portraits of dogs and sometimes cats painted in the style of the old masters of the Renaissance".

Brenda's complex, multi-layered paintings stand firmly and unashamedly within the tradition of Art History. Iconographically, they teem with references to and direct quotations from Medieval and Flemish masters (Hans Memling and Hieronymus Bosch), the Italian Renaissance (Michelangelo and Masaccio) and Nineteenth Century Romanticism (Caspar David Friedrich, and Goya), amongst others. Stylistically and formally, Brenda is strongly influenced by Medieval and Renaissance art.

Someone described her work as being funny tragic. The images show both animals and humans inhabiting a dystopian landscape choked by man-made pollution and global warming. The paintings are about the human impact on the environment and the creatures in it. Brenda uses iconic images from art history and religious art in her paintings, which are however, never as bleak as these ideas might suggest. Rather she works with a light touch of

KJ Bishop *Magic Prince* - Bronze 2025.

sardonic humour. A much needed commodity in our present world.

The floor talk is on at 2pm on Sunday 1 June. Don't miss seeing these imaginative works of art in this exhibition, which is on until 1 June! The artworks speak for themselves, they are both entertaining and highly skilled. They will make you think.

The Cascade Art Gallery, The Church, 1A Fountain Street Maldon is open from Thursday – Sunday, from 10am – 5pm. For further information: 0408 844 152.

Sam Varian *Act 4, Scene 1, 2025* - Ceramic: BRT raku, stoneware, porcelain slip, underglazes, stains, oxides, glaze, lustre.

Dean Bowen *Country Boy* - Multiplate etching.

John O'Loughlin *Sea Creature with Reliquary 2025* - Stoneware, oxides, engobes, gold/black lustre.

# Maldon Mother's Day Market

**Sunday 11 May – 1 Church Street – 9am to 1.30pm**

**LOOKING for a lovely way to spend Mother's Day? Come along to the Maldon Market and enjoy a relaxed morning browsing over 50 local artisan stalls. Grab a treat, sit under the old oak tree, and enjoy live music from Kevin and Jim of the Darling Buds.**

A classic Mother's Day gift? Chocolate, of course! This month's market features chocolatier Floyd Millar from Cocoa Rhapsody. Floyd began working with chocolate in 1989 and has honed his craft in top hotels in both New Zealand and Australia. Since launching his own label in 2006, Floyd has developed a stunning range of handmade, ethically sourced chocolates featuring flavours like raspberry and lemon aspen, blueberry and finger lime, and more.

"It's all in the tempering," says Floyd. "That's what gives chocolate its snap and smooth melt." His chocolates are crafted with care using local fruits and fair trade, organic cocoa.

You'll also find all your pantry favourites — sourdough, cheese, wine, gin, spices, nuts, fresh produce — plus handmade cosmetics, plants, and wellness products. There are plenty of spots to sit and enjoy a coffee or lunch while soaking up the music and market buzz.

Come meet the makers, support local, and treat someone special this Sunday.

**Lynn McShanag**

## LETTERS TO THE EDITOR

PO BOX 18  
MALDON, 3463  
VICTORIA

PHONE: (03) 5475 2256

### Bon voyage Maldon Newsagency

Graeme and Barb welcome Daniel and Gifty to Maldon as the new owners of Maldon Newsagency. We trust that the Maldon community will embrace you in the same manner in which we were welcomed back in February 1997.

After moving to Maldon in 1989 for employment opportunities, our faith in this wonderful community has never wavered and was reinforced many times over the 27+ years as your newsagents.

Life served up its highs and lows during that period but the community support was always there. Maldon has changed, particularly since COVID, but still retains that great community.

To our customers, who in many ways became part of our family, thank you for your custom and your friendship, and we will still see you about town.

To our staff, thank you for your significant contribution to making Maldon Newsagency what it was as a business.

To our juniors, it was with immense pride that we were able to observe how quickly they became part of the business. You will always hold a special pride of place with us.

Lastly, but in no means least, a big thank you to our family. You were all major contributors to the business from day one. After school weekends, school holidays and university breaks, you were always there as back up. The five days annual break we got in January each year was very much appreciated.

Time has moved on, you have your own lives and careers to pursue, making this an ideal time for us to step back and relax.

No more visits to Grandpa and Grandma at the shop, often going home with footy cards and out of date magazines.

Thanks for everything Maldon.

**Graeme and Barb Ford**

## May's film packs psychological punch

**EVERYONE has films that they have heard of or know a bit about but have avoided because they seemed "not my kind of movie." The reasons will vary for each person: too romantic, too rough, too many superheroes or too much sci-fi. For many Maldon Golden Movies members, the reason is violence, which seems fair enough — but that is not a good reason to miss May's movie, which is *Animal Kingdom* (2010, Australia, directed by David Michôd).**

Why? Because *Animal Kingdom* — while brooding and menacing and oozing with toxic masculinity — contains very little violence and almost none on-screen. It's an amazing film as a result of the way that it builds tension and hints at the possibility of violence. The cast is an exceptional collection of some of Australia's best actors including Ben Mendelsohn, Jacki Weaver and Guy Pearce; the Melbourne locations and events will be familiar. *Animal Kingdom* is a brilliant film, come

to MGM on Thursday 15 May at Maldon Neighbourhood Centre, doors open at 7pm for a 7.30pm start. Membership is \$25 for the year at the door of any screening, drinks and ice-creams available (cash only). MGM is grateful to be sponsored by Maldon Bakery who provide excellent movie snacks. See you at the movies!

**Michelle Dorian**

### IMAGINATION II THURSDAY 8 MAY - SUNDAY 1 JUNE 2025

# Family reunion a long time coming

A group of cheerful out-of-towners spent the weekend in Maldon as part of an extended family reunion... of people who had never met before. Readers of the *Tarrangower Times* may have seen the recent letters from John Anderson, who was attempting to gather descendants of the Subritzky and Wagener families for a weekend of genial genealogy and history-hunting. What a wonderful and novel reason for a weekend getaway!

Connecting mostly over the internet, they reportedly “stalked each other in cyberspace” before meeting for the first time in Maldon on Thursday 1 May. The 14 group members laughed when asked about family resemblances, since they are linked only by ancestors who lived generations ago. They had travelled from Geelong, Adelaide, Mildura and even New Zealand, which is where a large branch of the family tree ended up.

John hosted a weekend chock-full of activities including meals, tours and visits to the local museums. One of the attendees, Vanessa, was full of praise, saying: “John did a really good job of organising this, he’s put a lot of time and effort into it.”

The *TT* caught up with the spirited group at Maldon Cemetery, where they put fresh floral arrangements (and information for interested parties) on the graves of their distant relations. They lamented the impacts of time on the

headstones and crypts, discussing ways to fund maintenance and repair. All reported a satisfying and enjoyable weekend with new-found kin.

The trait they have all inherited, it seems, is a love of history and ancestry.

Michelle Dorian

Descendants of Maldon’s Subritzky and Wagener families (John Anderson is in the blue hat to the right).

# Maldon Minis

Maldon Preschool

## MAY 2025

This term has started very busy. We have been on a couple of out-and-about walks, started our Bush Kinder pilot program, and participated in the responsible pets program.

As a part of Anzac Day we walked to the shop display on Templeton St to have a look at the Anzac Day exhibit. We used this as a discussion point to talk about what Anzac Day is and why we have it. We made Anzac biscuits and painted poppies.

For the responsible pets program, we have an educator come to the kindergarten with their dog and teach us how to approach an unknown dog, then we practiced asking the owner if we could pat their dog. We also learnt how to behave when there is an angry dog close by and when to leave dogs alone.

Our Bush Kinder pilot program started off this year by walking to a bush location that is not far from kindergarten. Here we went on walks, built a cubby, climbed trees, learnt about the history of the site and built marble runs out of bark using small round rocks for the marbles. We have started with shorter sessions so that we can assess the children's capability in a bush environment. It also helps the children to settle at kindergarten before leaving to go to our bush site. We then walk back to kinder for a little play before the children are dismissed. We have one more week of our shorter session before we move to our full Bush kinder program at our usual site.

Coming up this term we are having a Grandparents Day. We have our open day on the 12 May and we are cooking biscuits in our new oven to thank Maldon Hotel for raising funds to purchase it. We are so delighted and thankful that we have a new oven! Next month we are also very excited to be going on the Maldon steam train. We are having a morning at the Botanical Gardens in Castlemaine, then catching the train back to Maldon.

QUIZ OR QUILTS

- 1. What is the most popular month for celebrating Mother's Day worldwide?
- 2. What biblical figure is often cited as the "mother of all living"?
- 3. In which country did Mother's Day celebrations originate-Ancient Egypt, Greece or Rome?
- 4. Which British queen gave birth to the most children?
- 5. Which famous inventor is quoted as saying, "My mother was the making of me"?
- 6. What flower is associated with Mother's Day in Australia?
- 7. Which classic Hollywood actress was the mother of future "Star Wars" actress Carrie Fisher?
- 8. What are the three most common gifts given on Mother's Day?
- 9. In which Scandinavian country do children present their mothers with ginger cookies shaped like humans, called "pepperkake" on Mother's Day-Norway, Sweden or Denmark?
- 10. What is the name of the film where Lindsay Lohan swaps bodies with her mother?
- 11. What traditional treat is often served to mothers in bed on Mother's Day morning?
- 12. What famous song by the Beatles is inspired by Paul McCartney's mother?
- 13. Which ancient civilization celebrated a festival called "Matronalia" to honour mothers-Egyptians, Greeks or Romans?
- 14. What is the name of the mother of Lisa, Bart and Maggie?
- 15. In what Southeast Asian country is Mother's Day celebrated by offering jasmine flowers and performing a traditional kneeling ceremony?
- 16. In the "Winnie-the-Pooh" stories, which character is the mother of the baby kangaroo, Roo?
- 17. What is the name of Harry Potter's mother?
- 18. In France, Mother's Day began as an attempt to honour mothers with \_\_\_\_\_.what?
- 19. How do children in Serbia celebrate Mother's Day?
- 20. What is the average age for first-time mums in Australia-30, 31 or 32?

**BONUS QUESTION:** Which historical mother famously said: "If you bungle raising your children, I'm not sure whatever else you do matters much."

Trivia by Tom Trifonoff of Australian Rural & Regional News (ARR.News)

MY WORD

- Start with the first word!
- Change one letter to form a new word!
- Repeat until you reach the final word!

Example:  
COLD  
CORD  
CARD  
WARD  
WARM

Words must actually exist.  
Obscure words encouraged.  
Good luck!

# Maldon & District Volunteer Party

To celebrate the incredible impact volunteers have in building thriving, sustainable and connected communities, Community Bank Maldon & District invite local volunteers to come along for a free drink and nibbles.

Volunteers from Maldon, Newstead, Dunolly and the surrounding district are encouraged to attend.

Please RSVP for catering purposes to Sophie by May 19th – [community@mdcb.com.au](mailto:community@mdcb.com.au) or call 0478 435 110.

**Thursday, May 22<sup>nd</sup>, 5-7pm**  
**at The Blue Cockatoo Bar**  
**10 Main St, Maldon**

# Don't miss a mad, magical night at the theatre

**CASTLEMAINE Theatre Company (CTC) and Rob Jorritsma have joined forces once again to bring Shakespeare's characters to life for local audiences. They invite you to step into the enchanted world of *A Midsummer Night's Dream* at Castlemaine's Phee Broadway Theatre from 16 May.**

It's the perfect opportunity to experience one of William Shakespeare's most entertaining and accessible plays, in which faeries, lovers and a theatrical bunch of tradies get themselves all confused. In the forest. In ancient Greece.

Rob Jorritsma brings a wealth of Shakespeare knowledge

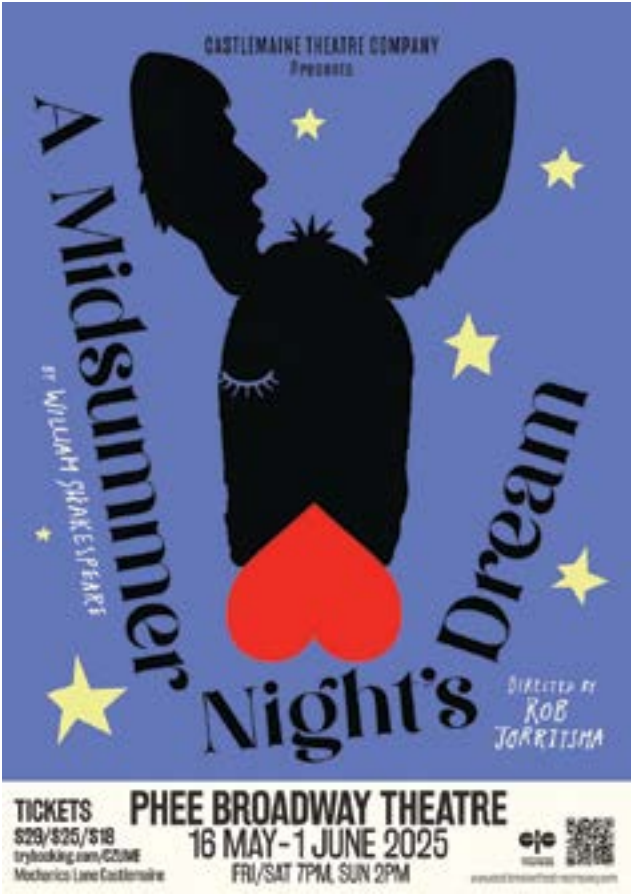

and experience, having directed *As You Like It* in 2018, *Romeo and Juliet* in 2023, plus a workshop called Speak the Speech, for CTC.

"Rob has created a powerful show centred on the actor's performance, with minimal props," the company says. "As we have come to expect from Rob's shows, evocative live music and singing will accompany the action."

CTC regularly attracts fantastic actors from around the region; this production features some who worked with Rob on *Romeo and Juliet* and some whose voices can be heard in

CTC's audio play of *The Tempest*, which was recorded in 2021. Many of the faces will be familiar from around town and there are lots of them; it takes a cast of 22 talented performers to populate a Grecian forest.

*A Midsummer Night's Dream* is playing from Friday 16 May until Sunday 1 June at the Phee Broadway Theatre, Barker Street, Castlemaine. Session times: Friday and Saturday evenings at 7pm and Sunday matinees at 2pm. Tickets available through [trybooking.com/events/landing/1367188](https://trybooking.com/events/landing/1367188).

## Be part of Maldon Welcome Pack

**MEMBERS of MaldonINC, the local business association, are putting together a Welcome Pack containing hints and tips for new businesses in Maldon, and they want to include you. The guide includes suggestions about council and community networks, overviews of local events and some useful contact details. MaldonINC will provide the**

**Welcome Pack to new businesses in the area, helping them find the services they need and encouraging cross-promotion within the community.**

The organisation is calling for local businesses to contribute to the pack and is always keen to also hear from businesses willing to help offer support or advice to new arrivals.

Inclusion in the Maldon Welcome Pack is simple: send through your business name, a short description of what you do, and your contact information. This is just one of the many initiatives that MaldonINC is working on to collaborate across the town, fostering connections and creating opportunities for local businesses.

Email details or queries to [maldoninc@maldon.org.au](mailto:maldoninc@maldon.org.au).

## Humerus insight to odd animals

**A study published on Tuesday 29 April in the science journal PNAS confirms that echidnas and platypuses are just as confusing as they appear. A small bone found 30 years ago at Dinosaur Cove in Victoria suggests that their likely common ancestor was a semiaquatic water-dweller, in contrast to the prevailing theory that the monotremes both descended from a land-bound ancestor.**

Lead author and palaeontologist, Emeritus Professor Suzanne Hand from University of NSW's School of Biological, Earth and Environmental Sciences, says there are numerous instances where mammals evolved from land-dwelling to living in water; including whales, dolphins, dugongs, seals, walruses, otters and beavers. But mammals generally do not evolve in the opposite direction.

"We're talking about a semiaquatic mammal that gave up the water for a terrestrial existence, and while that would be an extremely rare event, we think that's what happened with echidnas," she says.

The humerus or upper-arm bone found at Dinosaur Cove in the 1990s was the only bone known that belongs to an extinct species named *Kryoryctes cadburyi*. The exterior of the bone looks more similar to echidna bones than those of platypuses. However, analysis of the interior structure of the bone led the researchers to compare it to ballast-like bones in other semi-aquatic animals and suggest that the finding supports a theory that the echidna's ancestors were water-dwellers.

With a very limited fossil record, this genealogical puzzle is not likely to be solved soon.

# THE STEAM ENGINE THAT STOLE THE SHOW

NOW that the dust has settled and the amazing Maldon Easter weekend is behind us, I am thinking back to one of the larger vehicles that you may have noticed in the parade. It's a 1909 John Fowler Power Traction Engine, made in Leeds England.

If you have any toddlers in your life, you probably have a full-time job picking up Lego blocks, toys, or dolls everywhere in and around the house. Brendan Baker's family didn't have that problem because he was very keen on this machine right back when he was four and pretty much ever since. So he is a mine of information and can tell you anything you need to know without drawing breath.

Traction engines were hired to farmers as a power source back before diesel engines or electricity were commonly used. So, if you were a farmer who needed some crop threshing,

sheep shearing, water pumping, the tractor contractor would come around and they would connect the big belt drive to the tractor flywheel at one end and your shearing shed or hay bailer or pump or whatever at the other end and away you go.

What seems like an antiquated device would have been a very welcome sight if the alternative was very hard manual labour. As we saw at Easter, the traction engine travels under its own steam, literally, and gets along at about six kilometres per hour. At that pace, Brendan has taken it right up to Echuca, to the Lake Goldsmith Rally near Beaufort and all around Victoria. It was working commercially right into the seventies, clearing scrub around Orbost. Seeing it running, it's easy to see how it would have made a lifelong impression on a four-year-old.

**Ian Riley**

We do  
let facts  
get in the  
way of  
a good  
story.

Because that's what facts do. They get in the way of wild theories, sensational headlines, and stories that are just too good to be true. And that's the point.

Real journalism isn't about chasing clicks or stirring outrage. It's about accountability. It's about getting the story right, not just being the first to talk about it.

It's about knowing your community and knowing what matters most.

Because when the truth matters, shortcuts don't cut it.

We believe facts make stories stronger, not weaker. That's why everything we publish is grounded in independence, integrity and an unwavering commitment to accuracy and the community we are part of.

Truth isn't a single person's point of view.

It's a responsibility. And it's one we take seriously.

Trust journalism to deliver you the truth.

Support trusted journalism. Subscribe today.

\$325,000 41 Franklin Street, Maldon

827 sqm block. Ready to build with all services, ideal for a house relocation. Walk to the shops.

\$490,000 34 Cummings Rd., Inglewood

Off grid twenty acres. Great weekender, new build, cool warehouse vibe.

\$180,000 110 Peg Leg Gully Road, Maldon

12 acres around the corner from Porcupine Village and about 1.5 km from town. Great bush block for your peaceful haven.

\$295,000 28 Allans Road, Maldon

Maldon 1.2 Ha with new town planning permit. If you would like to build but don't want the delays and frustrations of obtaining a permit, here's your answer.

\$899,000 8 Faheys Road Gordon

Immaculate three bedroom two bathroom home on 3,000 sqm near Ballarat with lovely views and a mega shed.

\$850/\$840k Units 1 & 2, 21 Camp St., Trentham

Brand new - move in tomorrow. Less than replacement cost, these would be \$1m each to build now.

\$220,000 to \$250,000 Waanyarra Rd., Waanyarra

15 acres Waanyarra, near Dunolly. Perfect weekender with complete off grid glamping set up.

\$590,000 432 Baringhup Havelock Rd., Baringhup

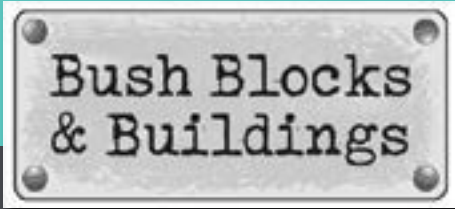

Five secluded acres with a lovely little 1.5 bedroom cottage plus a three bedroom Edwardian to do up.

\$690,000 47-49 Reef Street, Maldon

Just under 2,000 sqm on two titles, artistic home with self contained studio. Open for inspection: Saturday 3 May 11am-12pm.

BLAST FROM THE PAST

ST BRIGID'S SCHOOL HALL

ON Sunday 16 May 1915 the Catholic Archbishop of Melbourne Dr Thomas Carr opened and blessed the new school hall at St Brigid's, (now St Brigid's Hall). The hall had been designed by Melbourne architects Kempson and Connolly and built by Daylesford contractor Robert Righetti. Previously students were taught in an old brick building that was Maldon's first Catholic church. The new school could accommodate up to 150 children and was also suitable for holding concerts, meetings and socials.

Archbishop Carr had travelled to Castlemaine on the previous day and stayed overnight at St Mary's presbytery as the guest of Father Patrick O'Reilly. After celebrating mass the next morning, Carr and O'Reilly left Castlemaine for Maldon accompanied by a large party in motorcars and horse-drawn vehicles. Apart from clergy, the party also included the St Mary's choir and its Boys' Brass Band. As they neared Maldon they were met by a large number of horsemen and together they formed a procession that proceeded through Maldon to St Brigid's.

On his arrival Archbishop Carr inspected the new school hall while the St Mary's Boys' Brass Band played. Father Francis Conlon, the Castlemaine curate, then celebrated a high mass sung by St Mary's choir, accompanied by organist Robert McElhinney. During the offertory, Miss Marie Heron sang Charles Gounod's Ave Maria.

Following mass, amid stormy weather, Archbishop Carr blessed the Hall and declared it open. Thomas Woodlock, on behalf of the St Brigid's congregation, read an address in which he thanked Carr for his lifelong dedication to Catholic education. For more than 40 years, Maldon's Catholics had maintained a school in the old church building. Now, after raising more than £1,000, they had built a modern school that met all the requirements of the Education Department. Woodlock also told Carr that Maldon now had a branch of the Catholic Federation with more than a hundred members. The Federation had recently been formed to promote Catholics' political concerns, particularly regarding State funding of denominational schools.

In his response, Archbishop Carr said he was pleased to see Maldon had such a strong branch of the Catholic Federation. They would soon be needed to support the Church's just educational claims on the State. Carr also criticised the Labor Party, which opposed funding of denominational schools even though they depended heavily on the votes of Catholics. Following Carr's speech, a collection was taken up that raised more than £500 to pay off much of the outstanding debt on the Hall.

The day ended with a banquet held in the Hall and attended by more than 200 parishioners. The banquet included many toasts and a musical program.

This information was supplied by the Maldon Museum and Archives.

And... the girls did it!

OUR regular group of Bridge players arrived this week and as always, very happy with getting together to enjoy the afternoon's play.

It has all happened in and around Maldon over the past few weeks and now it is time to remember all mums on Mothers' Day and of course enjoy the family get-togethers which occur on the second Sunday in May. Getting together is becoming increasingly important and, because of the busy world in which we live, families don't get together as much as they used to. I can remember as a young child always wearing a white chrysanthemum on Mother's Day, which was a 'must' tradition but not seen as much these days, unfortunately.

We soon settled down to play out the cards again and a quick look at our first hands did not delight us very much, but always a wry smile or two on the faces of the opposition could be seen as they held the majority of the points. Now what can you do when your hand totals less than five you may well ask? Pass and defend is the answer, and hope you can keep the opponents' trick-taking to a minimum!

A quick break for afternoon tea was enjoyed, along with some 'table talk' of how we could finish the last rounds of boards with a highlight or two.

Ken was quickly onto totalling the score sheets and inputting same into the computer to reveal the final results for the day.

In first place, came the call, were Annie and Maree with 52 points and how very pleased the two mums were! The girls did it in fine fashion. Very well done! Second place went to Ken and Judy Mac with 44 points. If only I had not 'mucked up' the 3NT (three no-trumps) hand! Newstead Jo and Kevin A were third with 43 points. Jennifer and Lyn came in at fourth place with 37 points, followed by Aileen and Jan in fifth place with 35 points. The remaining dads were left to ponder how they could do better for the next week's play!

In conclusion we do hope all Mothers enjoy their special day and also remembering with love those mothers who are not with us.

Whatever your age group or skills please feel free to join us each Thursday at the Senior Citizens Rooms 1pm to 4.30pm to help us in our endeavours to

USE IT OR LOSE IT

IN MALDON TODAY RADIO PROGRAM

Jeff Thomas with Stevo.

TODAY Deanna Neville talks with EC and Nancy about the Good Art Crowd: who or what is it, and who is in it? We don't know either, so we hope all will be made clear then.

Last Friday IMT was back on the airwaves after the two-week hiatus for the bumper Maldon Easter Fair and ANZAC Day commemorations. Stevo and Katrine were joined by Maldon resident Jeff Thomas (pictured here with Stevo), in what turned out to be a part one interview!! Jeff has had a fascinating life, beginning work on ABC radio sport and ABC television current affairs. And if that wasn't enough, he has also sailed extensively around the world on his yacht and travelled through India via steam train. One program wasn't enough time and we will have him back in the future for the next exciting instalment of Jeff's life.

Next week Ann and Nancy welcome back Graham Pitts and Michael Treloar to spread the word about their next stage performances with Kyneton's Cathouse Players. And on things theatrical, it's also opening night for Castlemaine Theatre Company's latest production of Shakespeare's 'A Midsummer Night's Dream', featuring a bevy of MAINfm presenters.

To catch up on our previous programs click on [mixcloud.com/nancymay007](#).

**Library news**  
**World Press Freedom Day**  
**THIS** year the theme for World Press Freedom Day is *Reporting in the Brave New World – The Impact of Artificial Intelligence on Press Freedom and the Media*. The day marks the anniversary of the 1991 Windhoek Declaration, a statement of free press principles. The declaration outlines the core values of a free, independent and pluralistic media. In 2021 this was extended to include the ideals of Information as a Public Good. AI has become a widely used tool, capable of supporting journalistic tasks such as content generation, information analysis and presentation. However, it introduces new dangers and challenges the way journalism is practised. The emergence of generative AI products such as ChatGPT are increasingly being used in the production of journalism, raising concerns about the origins and veracity of information produced by these algorithmic programs. The *Digital News Report: Australia 2024*, published by the University of Canberra, reports that trust in news reporting in Australia has decreased. Of those surveyed, 75% had concerns around misinformation (up from 64% in 2022). Australians are much less trusting of AI-generated news than that produced by humans alone.

Freedom of information and freedom of expression depends on independent journalism, free of political, commercial or factional bias, publishing information that is trustworthy and for which the journalist and the publisher can be held accountable. This is even more critical in the current uncertain world, where misinformation and disinformation are useful tools, boundaries between real and fake are hard to discern, and truth seems to be a very flexible concept. UNESCO's *World Trends in Freedom of Expression and Media Global Report* documents a crisis in the freedom and safety of journalists and an uncertain future for independent news media. This is particularly true for local newspapers, especially in rural and regional areas, with centralisation of ownership of community newspapers, 'economic rationalisation' and large-scale closure of local news outlets. This has resulted in local 'news deserts' throughout many parts of regional Australia.

We are fortunate in Maldon to avoid living in a newspaper 'desert'. However, the community newspaper sector has been in steep decline since COVID, with over 100 regional Australian newspapers having folded or switched to digital-only editions. How long can our community newspaper survive? With the loss of the Meta payment to news outlets, valued at \$200 million, for use of Australian news content on Facebook, it is not just the viability of newspapers that is at risk, but also the jobs of journalists. The ABC used funds from commercial deals with Meta and Google to create 60 regional jobs. Fewer journalists are now doing more, for less.

We need a free, independent and pluralistic media. We should expect information to be accepted as a Public Good, accessible to all. It could be argued that in the present global political and economic climate the existence of an independent, trustworthy media is even more critical. Support your local media outlets and fight for their continued existence.

**Introducing Tristan Jacobson, completing a study placement at the library**  
Tristan is a final year student studying Library & Information Science at Curtin University by distance education. He is with us one day a week, gaining experience in cataloguing and other aspects of library management, supervised by library committee member Lynda Achren. Tristan's home is in Melbourne, but his mother is a local, having lived in Maldon for several years. After he completes his degree, Tristan would like to work in a public library in his own area, or as part of a university library. He reads mostly non-fiction books, including history and philosophy, both parts of his coursework. He is also a fan of science fiction, especially the works of the American author, Thomas Pynchon, which he describes as long, funny and with many, many characters. The library is very happy to help Tristan on his career path.

**Book Reviews**  
***The Death Watcher* by Chris Carter, 2024**  
When a routine autopsy on what looked like a straightforward hit-and-run leads the LA Chief Medical Examiner, Dr Carolyn Hove, to discover some puzzling inconsistencies, she calls in Detective Robert Hunter of the LAPD Ultra Violent Crimes Unit. Not only did Dr Hove discover that the death wasn't caused by a hit-and-run, but she also found indications that

the victim had been severely tortured prior to death. What no one realises is that what Dr Hove has stumbled upon is just the tip of the iceberg and it will lead Hunter and his partner, Carlos Garcia, on the trail of a twisted and clever killer who hides in plain sight.

***Jimmy's Run* by Joseph Connellan, 2022**  
Justin Murphy was comfortably embedded in the shabby surrounds of the inner city café. He had done his time and earned the right to buy an outrageously expensive single-origin coffee accompanied by a sustainably baked rock-hard biscuit. Almost no one could detect his long-faded country origins as he sat at the cramped, slightly unstable corner table. The voice of his colleague, some would say boss, Alice McCann, interrupted his contemplation. "Have I got a job for you? Local Government, public hearing, Northern Victoria, a place called Wills Reach." Justin realises that he is being sent to attend a public hearing of not just his community of origin but probably his extended family, a collection of individuals with whom he shared very little and had avoided, except for the occasional funeral, for decades.

***Unnatural Death* by Patricia Cornwall, 2023**  
Dr. Kay Scarpetta finds herself in a Northern Virginia wilderness examining the remains of two campers wanted by federal law enforcement. The victims have been mauled beyond recognition, and other evidence is terrifying and baffling, including a larger-than-life footprint.  
After the most frightening body retrievals of her career, Scarpetta must discover who would commit murders this savage, and why.

***To Sleep in a Sea of Stars* by Christopher Paolini, 2020**  
Kira Navárez dreamed of life on new worlds. Now she's awakened a nightmare. During a routine survey mission on an uncolonised planet, Kira finds an alien relic. At first she's delighted, but elation turns to terror when the ancient dust around her begins to move.

As war erupts among the stars, Kira is launched into a galaxy-spanning odyssey of discovery and transformation. First contact isn't at all what she imagined, and events push her to the very limits of what it means to be human. While Kira faces her own horrors, Earth and its colonies stand upon the brink of annihilation. Now, Kira might be humanity's greatest and final hope.

***The Paris Seamstress* by Natasha Lester, 2018**  
How much will a young Parisian seamstress sacrifice to make her mark in the male-dominated world of 1940s New York fashion?  
**1940.** Parisian seamstress Estella Bissette is forced to flee France as the Germans advance. She is bound for Manhattan with a few francs, one suitcase, her sewing machine, and a dream: to have her own atelier.

**2015.** Australian curator Fabienne Bissette journeys to the annual Met Gala for an exhibition of her beloved grandmother's work, one of the world's leading designers of ready-to-wear. But as Fabienne learns more about her grandmother's past, she uncovers a story of tragedy, heartbreak and secrets, and the sacrifices made for love.

# Doggos OF THE Goldfields

Introducing our readers to their local doggies and what makes their tails wag!

TT: We'd love to feature you as our doggo of the week. What's your name?

Jindo: It's Jindo! Like a Korean Dingo.

TT: Oh sorry, we only interview local dogs.

Jindo: I'm not Korean!

TT: Where are you actually from?

Jindo: Outback Queensland, originally.

TT: And now you're a Goldfields Doggo.

Jindo: Definitely, I live up the road and I have lots of friends here. Now give me a snuggle.

TT: Happily. But... watch the hair... yes... Ok, that's enough snuggling, we just met.

Jindo: I love cuddles, it's because I was a Camp Dog when I lived up north and I had a whole mob to nuzzle up to.

TT: Wow, that's a very different life.

Jindo: Different weather too, I notice.

TT: I'm impressed by your white coat and subtle spots; I've never met a Dingo.

Jindo: I'm not a Dingo. I'm adopted and I might have a bit of Dalmatian or Aussie Shepherd but we're not sure.

TT: Whoops, misunderstanding, sorry. Not Korean and not a Dingo.

Jindo: I don't speak Korean or Dingo lingo.

TT: Just Jindo Lingo.

Jindo: Bingo!

We'll chat to Jindo's sibling, Fizzi the Jack Russell, next week. If you'd like the TT to interview your Goldfields Doggo, shoot us an email: [editor@tarrangowertimes.com.au](mailto:editor@tarrangowertimes.com.au).

# Maldon Golf Club

AN enthusiastic field of golfers presented in the third of this season’s Monthly Medal events and with the fairways a little softer underfoot from earlier rain, golfers enjoyed these improved conditions, although still being challenged by putting on the scrapes.

Great rounds of golf from the Long Family siblings saw a great head-to-head challenge between Kerryrn and Spike, resulting in a win on the day to Kerryrn on a countback and the opportunity to play other Monthly Medal winners in the Medal of Medalists final on 8 November this year.

A highlight of the day was Richard Ruff scoring a cherished Eagle, 2 shots on the par-4 fifth hole, by holing a 3 metre putt after his magnificent 300 metre plus drive found the putting surface on the scrape. Well done Richard - a memorable result for you.

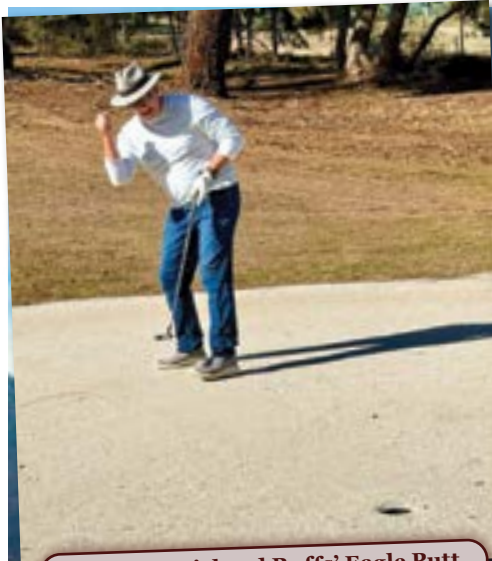

## RESULTS

### MAY MONTHLY MEDAL and COUNT-PUTTS

WINNER	Kerryrn Healy	65 nett on back
RUNNER-UP	Ian Long	65 nett
GOOD SCORES	Richard Ruff	66 nett
	Noel Olver	66 nett
	Bruce Ackland	67 nett
COUNT-PUTTS	Noel Olver	27 putts
NEAREST the PINS	No Winner	HOLE 4
	Kerryrn Healy	HOLE 17
Ca\$h-HOLE	Peter Gerolemou	HOLE 2

### GOLF TOMORROW

Registration 12noon - hit-off 12.30pm  
Individual PAR Event.

A jubilant Richard Ruffs’ Eagle Putt.

May Monthly Medal Winner Kerryrn Healy.

## VERY SOCIABLE PETANQUE

*En hiver comme en été  
Dans toutes les positions je sais tirer  
Mais embrasser Fanny, ce n’est pas de tout repos  
Même avec une paire de boules rouillées  
J’aime bien, le bouchon faire sauter  
... surtout au moment de l’apero*

OUR beloved French game is said to be best played with a little Pastis. On Sunday we did not have any Pastis but we had a lot of good cheer and friendship intermingle with some highly competitive games.

Two teams each won their two games, the better combo was Carole, Steve and Jenny who finished with 2 wins 10 points closely followed by Geoff, Joan and Phil 2 games 8 points. The other two teams who probably do not wish to be named, did not win a game, but for interest’s sake they were Ann, Cap’ P and EC with -8 points and Kevin, Marieanne and Antoine with -10 points. All in good fun.

Our next games on the Penny School pistes will be 2pm Sunday 18 May, if the weather is under 30 and over 10.

Le Substitute

## Maldon Croquet Club

ROUND 3 of the Northern District Autumn Pennant competition was played on 1 May. In Division 3, Gary Dykes and Rod Bennett (Maldonites) had a comfortable 5 games (36 hoops) to 1(15) win over the team of Jill Gibbon and Michael McLean (Golden Square Magpies). Following a revival in membership, the Golden Square club has entered two teams in the competition this season.

### In other Division 3 results:

- Elizabeth Payne and Olwyn Snape (Macedon Ranges Mt Charlie) remained undefeated after a 5(39) to 1(27) win over Jenny Symons and David Laird (Kyneton Green).
- Sue Wild and Heather Dawn (Macedon Ranges Mt Towerong) beat Nigel Gaul and Kathy Montgomery (Golden Square) 4(39) to 2(35).
- Margaret Parker and Judy Aldred (Kyneton Yellow) defeated Chris Ball and Jennifer Ball (Quarry Hill Parrots) 5(39) to 1(21).

In the Division 1-2 match between the two undefeated Quarry Hill teams, Chris Eiffert and Gayle Deary (Wattlebirds) won by a single hoop in a great contest against Bernie Lacey and Col Scott (Galahs) 3(35) to 3(34). In the other match, Julie Ware and Trevor Ware (Quarry Hill Ravens) won 4(36) to 2(34) against Jim Jackson and Brenda Jackson (Mt Gisborne). Julie and Trevor won last season’s Division 3 pennant representing Maldon.

Damien Kennedy

## Big Loop Ride - Sunday 11 May 2025

10am departure Newstead Park  
Diagonally opposite the IGA in Lyons St.

### A longer ride this month

Newstead ⇄ Maldon ⇄ Castlemaine ⇄ Guildford ⇄ back to Newstead

FROM Newstead we’ll ride through the Muckleford Forest and link up with the Maldon – Castlemaine rail-side trail which we will

follow into McKenzie Hill at the top end of Castlemaine. We’ll then ride through Campbells Creek (partly along the Campbells Creek trail) then to Guildford and back to Newstead.

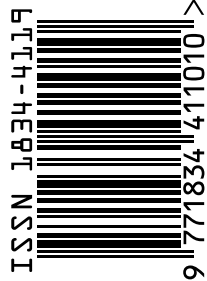

- This is an approximately 60-kilometre ride so will require a reasonable level of fitness.
- The ride is 50% on unmade roads and 50% on sealed roads.
- Between Campbells Creek and Guildford we will ride along the Midland Highway which has a shoulder for cyclists
- There will be opportunities for coffee stops in Campbells Creek and Guildford.

The ride will be cancelled if the forecast for the day is for severe or very inclement weather.

What to bring: Helmet, repair kit, pump, water and snacks for along the way. Fluro vests are recommended. We will provide a basic first-aid kit and vehicle support if required.

FOR MORE INFORMATION  
Contact: Steve: 0401 107 857.

## Maldon Football Netball Club

### Round 3 – Maldon V Talbot @ Maldon

#### Overview

**WE travelled to Harcourt this week to take on the ladder leaders in the senior football. It was a tough day across all grades of football. The under-17.5 match was a highlight with the Maldon boys going down by the narrowest of margins in a hard-fought, high-quality game. Our junior netballers had more success, displaying great teamwork to come away with solid wins.**

The Club held its annual ball on Saturday night, with a great night had by all. Thank you to the Maldon Golf Club for hosting the club. We head into the next round with a bye. This will give everyone time to freshen up and get some solid training in ahead of our Round 6 match on 17 May at home versus Avoca.

The club will be welcoming Past Players and Sponsors for the round 6 game as well as celebrating the 15-year reunion of our 2010 senior Premiership win over Avoca. We hope to see you all there.

#### Football

##### Seniors

#### Maldon 8.4-52 def by Harcourt 33.12-210 by Harcourt 33.12 - 210

It was a tough day at the office for the senior boys. With a number of outs due to injury, we called on the reserve boys to fill the vacancies. The boys tried hard all day but were outclassed by a strong Harcourt outfit. To their credit, the boys kept pushing to the end of the game, managing to kick 4 majors in the last when scoring had been hard all day.

**Best Players:** Max Johns, Ash Woodman, Matt Gray, Seb Andrea, Damien Wust, Bryce Coffey.

##### Reserves

#### Maldon 2.0 -12 Def by Harcourt 32.15 – 207

We went to Harcourt this week to play against a top four side on a great day for footy. A number of injuries resulted in us having low numbers this week which didn't help us, but the boys gave it 110 per cent. We now turn our sights to Avoca following the bye next week.

**Best Players:** Ben Rowbottom, Angus Nancarrow, Nash Turner, Coby Cox, Aihen Turner.

##### 17.5s

#### Maldon 8.8 - 56 Def by Harcourt 9.3 – 57

Coming into this game unbeaten so far, our boys took on their first big challenge of the season in Harcourt. Both teams wrestled hard for control of the match in the first quarter with three goals apiece, but the second term saw Harcourt kick ahead by a couple of coast-to-coast goals. After halftime, the Maldon boys rallied, using a bit of chaotic footy to their advantage and catching Harcourt off guard, adding three goals to their total to Harcourt's one, setting up a huge last-quarter battle. A seesaw affair in the last quarter meant each score was vital for both teams; a late goal from Aihen Turner had Maldon ahead by five points with three minutes left on the clock. Some small skill errors and concentration lapses gave Harcourt a window of opportunity to sneak a goal through in the final minute of the game, thus gaining a one-point lead to walk away with the win. A stinging loss for Maldon, but plenty of positives, learning, and growth to take from this game into the next against Avoca.

**Best Players:** Jack Smith, Hugh McMullan, Cooper James, Francis Walls, Tully Rowbottom.

##### 14.5s

#### Maldon 1.0 - 6 Def by Harcourt 25.8 - 158

It was a tough day at the office for the Under 14.5s on the weekend. Harcourt rolled out a few permit players from Bendigo who looked like they might go on to play AFL the way they tore up the field.

We tried a lot of new things and gave the kids roles they wouldn't normally have had to do. Four or five of them got a crack at playing loose in defence. Chloe Jennings did a great job in that role, cutting off a few goals with some gutsy marks. She also kicked our one and only goal for the day.

Big thanks to Archer, Dylan, Nash and Layton for stepping up from the Under 11.5s and having a go.

Our best player on the day, once again, was Callum McGee. He's started the season in cracking form.

We've got the bye this week, and then we'll be welcoming back our captain Seth. We've also got a few players set to return, so over the next month we will improve.

**Best Players:** Callum McGee, Chloe Jennings, Lucas Pascoe, Zachary Dyer, Auzzie Webster, Alijoscha Turner.

##### 11.5s

#### Maldon 0.1 - 1 Def by Harcourt 8.14 - 62

Maldon's youngsters went to Harcourt with high hopes, but from the midway point of the first quarter, Harcourt's young midfielders were leading the play. The young Donners were tested in defence for four quarters, never giving away an easy opportunity and made the 4th quarter their toughest. While the score didn't reflect their determination, they were able to get the ball forward only managing one minor score for the day.

**Best Players:** Dylan Dyer, Oscar McGregor, William Cossens, Fletcher Ballinger, Dacry Robertson, Henry Simpson.

#### Netball

##### A Grade

#### Maldon 20 Def by Harcourt 63

Today, the senior netballers displayed commendable passion, both on and off the court. The A and B grades effectively executed the set plays and strategies they practised during training. Although the score line did not accurately reflect the game's competitiveness, everyone had a great time. The games flowed smoothly, allowing the players' skills to shine. The team's unity and support for one another were evident, demonstrating the squad's growth. It is clear that our squads are coming together.

**Best Player:** Emma Webb.

##### B Grade

#### Maldon 24 Def by Harcourt 45

See A Grade write up above.

**Best Player:** Rachel Davey.

##### C Grade

#### Maldon 15 Def by Harcourt 28

The C grade team faced another challenging match this week, losing by a margin of 13 points. They maintained pace with Harcourt during the first quarter, demonstrating excellent movement down the court. However, Harcourt gained a lead in the second quarter, although our defensive efforts forced them to exert considerable effort.

**Best Player:** Mia Blake.

##### Under 17s

#### Maldon 34 Def Harcourt 4

The U17 girls hit the ground running again today and from the first centre pass took control of the game. The Harcourt attack had no answers to the defence of the Maldon girls and the Maldon attack capitalised on all the intercepts. It was an

amazing win for the U17 girls, keeping them in the top 4 on the ladder.

**Best Players:** Phoenix Hall, Eva Gross.

##### Under 15s

#### Maldon 34 Def Harcourt 1

The Maldon girls had a brilliant win against Harcourt on the weekend from the first whistle they were right on their opponents and were able to take control of the game. With many intercepts and excellent team work it was a great game for the young Maldon team.

**Best Players:** Domika Carroll, Celine Marsh.

##### Under 13s

#### Maldon 23 Def Harcourt 10

We tried some different positions out this week, and the change-up worked really well.

Karen played GS, and her height was a great advantage. She moved on the baseline and allowed Marth in GA to drive to the top. It was a very good matchup.

Myra in GK also used her height, making sure she was in front of her player at all times.

The game started off quite even but once Maldon found their groove, we managed to take a lead and hold it for the game.

**Best Players:** Karen and Charlotte.

##### Under 11s

#### Maldon 16 Def Harcourt 2

Maldon's Under 11 netball team put on another strong display over the weekend, defeating Harcourt 16–2. The team worked hard from start to finish, showing great teamwork and energy.

Ava was named Best on Court after a brilliant game in goal attack, shooting with confidence and helping build an early lead. Nick also impressed with his smart play, slowing the ball down and keeping control when it mattered most.

The defence was solid, turning over the ball with key intercepts, while the attacking end fought hard for every loose ball. A great team effort all round.

**Best Players:** Ava Carroll and Nick Clarke.

## MFNC Player Profile

Meet the players of the Maldon Football Netball Club

### Meet Footballer : Matt Gray

Nickname - Matty  
Team - Seniors  
Position - Forward/Midfield  
Favourite sports team - Melbourne Storm until the Bombers win a final  
Guilty pleasure - Late night kabab  
Favourite thing about MFNC - Game day on our home ground, friends and family make it a great atmosphere

### Meet Netballer : Jess Flavel

Nickname - Jesse/Diso Chicken  
Team - C  
Position - Any where Zoe tells me  
Favourite sports team - Richmond  
Guilty pleasure - Shopping at Mecca  
Favourite thing about MFNC - The relationships, positive attitude and friendship between players

## **ADVOCATE**

We will advocate for the businesses of Maldon across all levels of government and the broader community.

- Meet regularly with local, state and federal government representatives to advocate the interests of the Maldon business community.
- Participate in planning and community development processes that may have an impact on the Maldon business community including visual presentation of our Maldon, signage and council services.

## **PROMOTE**

We will promote and support Maldon businesses in a targeted and focused manner.

- Develop an action plan to foster strong connections between local producers, retailers, and consumers.
- Develop strategies and events that support a “buy local” campaign.
- Continue to promote the *MaldON* brand campaign.
- Support and promote events that encourage and foster visitations across the four seasons.
- Compile a ‘Business Pack’ for use by all new businesses.
- Develop a Maldon ‘Business Directory’ with associated map.
- Facilitate and support business mentoring schemes for use by our members.
- Work to consolidate [www.maldon.org.au](http://www.maldon.org.au) website as the primary source of Maldon Inc information. With social media being secondary, providing communications with users, linking back to the website.
- Develop a login ‘members-portal’ within the website, where member-only resources and knowledge can be accessed.
- Develop an ecommerce capability within the website, where revenue-raising initiatives can be undertaken.

## **COLLABORATIVE PARTNERSHIPS**

We will develop and encourage collaborative partnerships with governments and community groups to promote and support Maldon businesses.

- Work with other Maldon community groups to promote community events such as Maldon in Winter Festival.
- Meet regularly with Business Mt. Alexander and Bendigo Regional Tourism Council to develop actions and plans to promote Maldon businesses.
- Promote workshops, courses and networking opportunities to support our members.

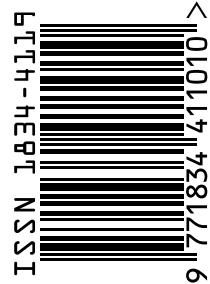

## **GOVERNANCE**

Foster the growth and development of Maldon Inc while maintaining a sound and accountable governance framework.

- Develop strategies to attract Maldon “tradies” and business support services to become members of Maldon Inc.
- That the business of Maldon Inc is readily and reliably communicated to its members.
- Systems are in place to ensure Maldon Inc meets all its statutory obligations.
- That Maldon Inc fosters a safe, diverse and respective environment.

# Be part of the next generation of Maldon Inc.

## BE PART OF THE PLAN

When a business is a member of Maldon INC, it signals to all in the community that they ‘get it’ - that they get that Maldon’s future, as always, depends on everyone working, not in silos, but together. As an ecosystem. There’s a lot to read in the strategic plan, so be sure to save this copy for later and to share in conversations with fellow Maldonians.

## HOW TO BE PART OF THE PLAN

Businesses with an ABN are welcome to join Maldon INC - membership includes having your own business page on the Maldon INC website (the Maldon INC website had more than 6,000 visits during last year’s Maldon In Winter Festival.) Members can join the committee. Members and non-ABN holders can put their hands up to be part of a project. Community groups can also put their hands up to support projects to help turn the MINC Strategic Plan 2025+ into action. Maldon Inc is very much what you want to make it.

You’ll find more information here: [maldon.org.au](http://maldon.org.au)

Grateful thanks to the following who provided funding, support, services.
